

COVER LETTER

Hasanboy Marufjonov

Why do i need this job?

I have glorious purposes for the future. My main goal is to help people. I want to develop useful projects for Uzbekistan based on the big IT companies experience. My English is upper-intermediate. I want to start my career. First job is important for me. So I'm looking for a job.

How long have I been involved in programming?

I started programming when I was 12 years old. But it was just a hobby. I have been a professional in programming since March 2020.
